Medicaid Recipients as a Percent of Total State Population

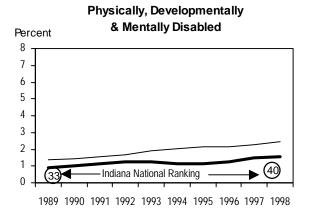

Indiana vs. National Average Federal Fiscal Years 1989-1998

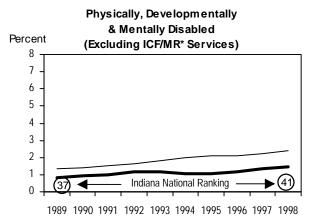

*Intermediate Care Facilities for the Mentally Retarded; Includes small group homes and large private and state institutions

Footnote: Physically, Developmentally, and Mentally Disabled contains Blind in the years following FFY96. Also, in FFY98 a new category, Foster Care/Children was introduced. This category is combined with TANF and Other Children on these graphs.
